Description

Toseina Cough Syrup

Toseina Syrup is used to treat a dry cough (not accompanied by mucus) in adults and adolescents over 12 years of age.

Buy Codeine toseina 250 ml and store it in the original package to protect it from light. Keep this syrup out of the sight and reach of children. Medicines must not be disposed of via wastewater or household waste to avoid side effects. Also, deposit the containers and medicines that you do not need at the SIGRE Point of the pharmacy. If in doubt, ask your pharmacist how to dispose of medicines no longer required. This way you will help to protect the environment. Codeine syrup toseina 2 mg/ml.
